

Burton Buzz

We are looking forward to seeing lots of you next week at our Parents' Evenings on Monday and Wednesday. This is an excellent chance to discuss how your child has settled into their new class and their academic progress so far this year.

Of course if you have any queries or concerns you do not have to wait until Parents' Evening to discuss these class teachers are available and there are always members of the Senior Leadership Team on the gate at the start and end of the school day. By working together there is very little that we cannot solve!

Thank you for your support of Pink Day today it means a lot to all of those members of the school community who have themselves or have family members who have been affected by Breast Cancer.

Have a lovely weekend.

Graham Almond
Headteacher

When we work together we can solve anything!

ZONES OF REGULATION PARENT WORKSHOP

We use Zones of Regulation as a key part of our Behaviour and Relationships policy. This involves empowering children to consider how they are feeling emotionally which leads to an increased ability to manage a range of emotions.

For any parents and carers who are interested in finding out more about this approach, Mrs Mace is running the final parent workshop of the academic year on Thursday 21st November 9:00 - 10:00am.

Please come through the main office - we look forward to seeing you there.

Thursday 21st November 9.00am - 10.00am for more information about Zones of Regulation.

POPPY APPEAL

Next week our Head pupils will be selling poppies and poppy accessories during break time to help raise funds for the Royal British Legion.

Poppies for sale Monday-Wednesday next week

WEAR IT PINK

Today we wore pink/non-uniform in aid of Breast Cancer Now - a cause close to our hearts. Thank you to all those who showed their support by wearing pink! We raised £193.69 in cash donations. Mrs Overall in our kitchen also made some pink sparkly cakes.

Thank you for your generosity - £183.69 in cash donations received!

HARVEST FESTIVAL

Assembly today we reflected on all of the harvest donations we have received. Thank you! These donations will be split between our Top Up Shed (at the back of the car park) and Unity Schools Partnership Christmas Hamper project.

Thank you for your Harvest donations

YEAR 2 - ST MARY'S CHURCH

On Thursday, Year 2 visited St. Mary's Church as a way of consolidating their recent RE focus on Christianity. The focus question this term has been, 'is it possible for Christians to show kindness all of the time?'. Reverend Drinkwater very kindly planned the visit around this question, he shared a bible story which celebrated kindness and allowed the children time to explore the church in search of ways that demonstrate kindness. This included things like; being welcoming, offering warm drinks to people, celebrating life events and collections. The adults who accompanied the children on the visit were all so impressed with the outstanding behaviour shown by the children and how well mannered they were.

Year 2 loved their visit to St Mary's Church

CLUBS

Details of the after school clubs that will be running after half term, w/c 11th November.

Please note that these clubs will all run for 5 weeks and will finish the w/c 9th December.
