## Welcome back

*It is great to be back I hope that you all had a wonderful summer and managed to spend some relaxing time with your families.*

*The children have come back refreshed, excited and ready for the year ahead and I know the teachers have spent lots of time preparing their classrooms for the children. On Thursday in assembly we talked about how 'We all belong here' as a great way to start the year.*

*We know the partnership between school and home is vital and can make a big difference to your child's education, please do keep in touch with us and let us know if you ever have any questions or concerns. Have a great weekend!*

**Graham Almond - Headteacher**

## New developments

We are delighted that the building work to complete the expansion of our Specialist Hub increasing our number of places was completed just in time for our return. The new classrooms for Adventurers and Explorers at the front of the school and the new outdoor space look brilliant!

The location of Wraparound Care (Breakfast and After School Club) has changed. Now being located in our former SEND Hub at the top of the ramp next to Year 2. It is a few more steps and we will work on the access logistics but the room has been redecorated and is a great space for the children, Mrs Clifton and her team.

We have a new Nursery building and outdoor area at the top of the Car Park next to the KS2 gate. Miss Butt and the team have done a wonderful job setting up the new environment for this exciting new era for our Nursery provision.

## Welcome

We welcome new members of the staff team this September. Teachers: Miss Norris, Mrs Call and Mrs Hughes  
LSAs: Miss Waddup, Miss Speller  
We know you will make them feel very welcome and we look forward to working with them.

## Uniform

The children looked very smart in their uniform when they returned to school on Wednesday - thank you. We have an awful lot of lost property which we will start to put out next week please do ensure jumpers and cardigans in particular are clearly named.

## Nut Free School

We aim to be a NUT FREE school. We have children and staff members with nut allergies Please do not send your children in with products that are nut based, this includes Nutella and peanut butter in sandwiches.
