Thank you Burton End

For the 68<sup>th</sup> and final time it is with mixed emotions I am writing to you at the start of the newsletter. They say time flies when you are having fun and this is definitely the case. I am very proud of all that we (children, staff and parents) have achieved over the last three and a bit years together. There are simply too many achievements to list here. The school has continued to go from strength to strength. It has been a privilege to lead a talented and committed staff team and a genuine pleasure to get to know and work with our parent community - I always say there is very little we cannot solve by working together and I really do mean this.

Of course the stars of the show are the brilliant Burton End children. They bring joy and happiness into our school and I am particularly proud of how well they show off our school values of kindness, respect, resilience and ambition each and everyday. I told the children and staff in assembly today that I will always be proud to have been the Headteacher at Burton End and when asked about my last school I won't be saying 'a school in Haverhill' I will be tell anyone that will listen 'Burton End Primary Academy'

You are in very safe hands. I know the school will continue to flourish under Mrs Mace's leadership and she will have the full support of the children, staff and parents. Exciting times are ahead!

For my final thoughts I would like to ask the children to keep working hard: never give up on your dreams, parents and carers keep supporting the school and your children and to the staff keep up the wonderful work you do each and every day.

*It has been a privilege to be your Headteacher. With my very best wishes for the future.*
